

THE CAI ONLINE ADVANTAGE

The Center for Appreciative Inquiry (CAI) delivers online programs that are experiential, applicable, and inspire action. See what makes our online offerings unique...

ALL ONLINE PROGRAMS INCLUDE...

INDUSTRY EXPERTS

Learn from leading industry experts. CAI trainers are certified AI practitioners with extensive knowledge and experience in designing, delivering, and supporting engagements of all sizes.

FLEXIBILITY

Access course materials, complete activities, and practice new techniques at time, place, and location that works best for you.

HOW-TO VIDEOS

Enjoy a series of short, instructional videos that demonstrate how to navigate our online platform and leverage its features to maximize your learning experience.

CUSTOMIZABLE PROFILE

Customize your member profile to showcase your knowledge, highlight your experience, and feature collections of your work to other members of our online community.

NETWORKING

Build new relationships and foster genuine connections through our private social network where you can share photos, videos, links, and resources with other community members.

VIBRANT CONTENT

Our instructional materials blend text, graphics, audio, and video to deepen understanding and boost retention by engaging all learning styles.

COURSE FORUM

Engage with community members at any time. Our forums create a space to share thoughts and ideas, ask questions, provide answers, offer feedback, and share valuable resources.

DIGITAL JOURNAL

Improve focus and content retention by taking notes and capturing your thoughts in a private, digital journal. Download, save, and print your notes with just one click.

COMPLETION LETTER

Receive a completion letter acknowledging your participation and successful completion of all course requirements. Letters include your name, the course completed, and number of training hours earned.

INCLUSIVE DESIGN

Continuous enhancements are made to our training's design, structure, and materials to ensure sufficient accommodations are available to individuals with medical, learning, or temporary disabilities.

CERTIFICATION COURSES ALSO INCLUDE...
